 **The eighth graders are fighting hard to keep their Spirit Champion Title!** In fact, during yesterday's lunchtime activity, they made so many three pointers that their overall total increased dramatically. On top of that, Teagan Puryear's name was selected as the Spirit Winner, and she raised the overall total by fifteen more spirit points. What does this all mean? It means that the 8th Graders are going into the final Spirit Day with 636 points! Sixth graders are in second place with 562 points, and seventh graders have 492 total spirit points. Everyone needs to remember, the competition is not over, yet! Today is everyone's favorite spirit day, so during fifth period, leadership will be around to count how many of you participated. Also, come out to the tricycle races during lunch to earn even more spirit points for your grade level. May the most spirited grade level be crowned the champions and receive a delicious treat for winning!
