6	1:00 p.m. – 1:50 p.m.
7	1:55 p.m. – 2:45 p.m.

Did you take the CMS Challenge and say hello to someone new yesterday? If not, today is your chance. We challenge you to say hello to three new people today and expand that "Hello" to "Hi; I hope you are having a great day." Remember, this week thousands of schools and youth organizations across the United States are participating in **Start with Hello Week**. **Start with Hello** was created by the Sandy Hook Promise Organization. It focuses on the simple fact that saying hello can make someone's day. It is small but powerful actions that promote connectedness and inclusion. As we stated yesterday, social isolation is a growing concern throughout the nation. Here at CMS, we want everyone to feel like they belong and are connected to each other. Remember, always follow the Cougar Way and choose kindness. Go Cougars!

Calling all CMS Gamers! Are you interested in eSports? Looking to sharpen your gaming skills? Season 2 of our **CMS eSports Club** is under way and will meet tomorrow at lunch in S-2. Swing by today and join in on the fun that's sweeping the nation.

Do you want to make things, play games, eat lunch, or just hang out? Come to the Maker Space any day at lunch. Board Games are being enjoyed by all! Come play Magic, The Gathering, Chess, and others. All are welcome!

The Dungeons and Dragons Club will reconvene today and Thursday at lunch in Mr. Abate's room C11. Please bring your patience and your created character. We hope to break up into our smaller campaign groups. Due to the overwhelming popularity of the club, we cannot accept any new people at this time.

Attention all Lava Beds Explorers: We will be having an after school gear clean-up session this THURSDAY after school in S2. Please let Mr. Guzzi or Mr. Woodward know whether or not you will be able to attend. Happy exploring.

Attention All Students: Would you like to learn more in-depth topics in science? Do you like to take electronics apart or find out how things work? If you answered yes and are a motivated and a hard working student than we got the team for you. We will be having our first Science Olympiad informational meeting this FRIDAY in Mr. Guzzi's classroom. Come bring your open mind and thirst for knowledge and see what it takes to be a Science Olympian. Happy Investigating.

Come on out to our soccer fields today and cheer on our girls team as they take on Catalina or our boys team as they battle Palma. Girls will start at 4:00 and the boys will kick off at 4:30. It's a great day to watch soccer!!

Good Luck to our 7th Grade Girls and our Boys Volleyball Teams as they travel to Stevenson for their matches. Athletes: Your bus departs at 3:00pm.

Go Cougars!

 **Happy Birthday to:**
