Today is a new day, and it is your chance to say hello to someone new! Remember, this week thousands of schools and youth organizations across the United States are participating in **Start with Hello** Week. **Start with Hello** was created by the Sandy Hook Promise Organization. It focuses on the simple fact that saying hello can make someone's day. It is small but powerful actions that promote connectedness and inclusion. As we stated on Monday and Tuesday, social isolation is a growing concern throughout the nation. Here at CMS, we want everyone to feel like they belong and are connected to each other. Remember, always follow the Cougar Way and choose kindness. Go Cougars!

Be sure to show your Cougar Pride tomorrow by wearing LOTS of red or Carmel gear. Anyone who is showing spirit and comes to the leadership table at lunch on Thursday will receive a Cougar Buck and will be entered to win CMS Spirit Gear! Go Cougars!

Do you want to make things, play games, eat lunch, or just hang out? Come to the Maker Space any day at lunch. Board Games are being enjoyed by all! Come play Magic, The Gathering, Chess, and others. All are welcome!

Calling all CMS gamers! Ready to test your skills against the best? Come play some games and make some noise in S-2 at lunch today!

Attention all Lava Beds Explorers: We will be having an after school gear clean-up session TOMORROW after school in S2. Please let Mr. Guzzi or Mr. Woodward know whether or not you will be able to attend. Happy exploring.

Attention All Students: Would you like to learn more in-depth topics in science? Do you like to take electronics apart or find out how things work? If you answered yes and are a motivated and a hard working student than we got the team for you. We will be having our first Science Olympiad informational meeting this FRIDAY in Mr. Guzzi's classroom. Come bring your open mind and thirst for knowledge and see what it takes to be a Science Olympian. Happy Investigating.

Hey 6th Graders! Are you ready for some grade level competition? The 6th Grade **WiffleBall Tournament of Donuts** begins this Friday. Assemble a team of at least 9 players from your 1st period class. Each team should pick a team name and mascot, for example: **Carmel Cougars**. Here's the catch: Your team's name must have your teacher's name in it, and your mascot must be a type of food.
