**There are only TWO days left of the Canned Food Drive.** Remember, the Food Bank of Monterey County is depending on us to help our neighbors throughout the county during this holiday season. Yesterday, **Ms. Williams's class** had the Mystery Can of the Day and they were chosen for the tasty treat! Be sure to listen for today's Mystery Can announcement. Remember, if your class has the Mystery Can, please bring it to Mrs. Wells's Room (C9) within the first five minutes of class, and your class will be entered into the drawing and could be the next to win! Remember, this is a competition where the results are based on the can to student ratio in your fifth period class. Any fifth period class could potentially win the pizza party at the end of the competition! **Don't forget, WEDNESDAY is the LAST day of the can collection.**

**Yearbook is in need of 8th Grade Baby Pictures and After-School Activities and Travel Photos for all Grades!** All pictures are due by THIS FRIDAY December 20th. Pick your favorite shot and bring it in to Mr. Fosler ASAP.

**Today's Lunch Cafeteria Sections:** Choose between Pizza, Turkey or Veggie Sandwich, or a Caesar Salad.

**After School Enrichment Classes** will be starting when we return from Winter Break on January 6th. Stop by the front office and pick up a flyer for classes like ***Girls Who Code, Rock Band, Chess Skills and Basics, Speed and Strength Training*** or ***Conversational Spanish***. The deadline for registering has been extended to this Friday, December 20th!

**Due to the tremendous generosity and love of quality homemade goods last Friday** by CMS students, there will be another Charity Bake Sale after school today! Bring lots of cash, jewelry, or stock certificates. Your tum-tum will be happy-happy!

**Hello Holiday shoppers:** The Nature Study class is having a nature craft sale at lunch on Wednesday and Thursday during lunch. We will be selling spider necklaces and earrings, quartz crystals, and mini-geods. These make great gifts or are fun for your own collection. All profits are used by the nature study class to buy class pets and supplies. Most stuff is just 3 dollars or less.
