**The results are in for the canned food drive and CMS!** A record has been broken for the most cans ever collected by a single class. Mr. Stadille's class collected 896 cans. Along with their fearless leader, the eco-literacy class should be extremely proud. They will be rewarded with a delicious pizza party after the winter break. Second place was nowhere near the first-place winner, but it goes to Mrs. Wells's leadership class. They collected 271 cans. Right behind them was Ms. Williams's class with 268 cans. Both of those classes will receive their treats after the break as well. Yesterday's Mystery Can Winner was Mr. Ishler's class. We hope you enjoyed your tasty treat. The leadership class and The Food Bank of Monterey County thank all of you for your contributions. This year we collected a total of 2, 997 cans and food items. We know our Monterey County neighbors will be very appreciative of our CMS efforts.
