9th period	Independent Study PE

 **Inktober is here** and we would like to invite any and all folks with any desire to hang out and draw with your peers to join the *Inktober* crew. The ultimate challenge is to make 31 drawings in the 31 days of October. You might be thinking, "Do I have to draw every single day?" The answer is NO, even if you can only participate one day a week we would love to have you join. You can participate as little or as often you like. You do not have to have any drawing experience, the only requirement is a desire to draw and enjoy the virtual company of your peers! Even if you can't attend any meetings, you can still participate by posting on our daily Padlets where we will be sharing our work. If you are interested in joining *Inktober* please join google classroom by using the code "[odfzspk](#)". **We will be having a preliminary meeting TODAY at 12:15** (the zoom link can be found on the google classroom). We will also post a video on Google classroom that reviews the information discussed on Tuesday for those who can't attend. See you all soon.

ATTENTION ALL STUDENTS: Join the *CMS Counseling Google Classroom ASAP!* Class Code: **gilvo4f**. This is where we will announce opportunities for non-academic social activities each week. The School Counselors will be offering activities like games such as: Mad Gab, Scattergories, Charades, Boggle, Mad Libs and more that you can participate in from home! As well as other useful activities to help us deal with stress, making new friends, and other of life's challenges. Each week will change the time these activities are offered. One week it will be offered at 12:15, the next 1:15, & finally 2:15.

 **Get your Spirit Gear together for this Thursday's CMS Cougar Pride Spirit Day!** Don't forget to wear as much red or CMS gear as possible to all of your Zoom Classes! We hope that all of our winners have enjoyed their gift cards! Last week's winners will receive their gift cards in the mail very soon. Go Cougars!
