**Our sixth graders must be a wacky bunch because they dominated yesterday's spirit day!** That is correct. The sixth graders are officially in the lead. However, we still have today's **Cougar Pride** count and tomorrow's Holiday Fun Friday Count to add to our overall totals. Oh, and we have decided to throw a little twist into the competition. On Friday, we will have a combined 6th, 7th, and 8th grade lunch where we will hold our annual tricycle races that will truly determine the winning grade level! Don't forget to have your first period teacher record today's count on the spirit form. 8th graders should be wearing white, 7th graders should be in red, and sixth graders should be wearing gray. Also, if you are dressed-up, snap a selfie and upload it to the Google Form found on your Chromebook Homepage for your chance to win a Sweet Reba's gift card. **Tomorrow remember to dress up for our Holiday Fun Day Friday:** Since we didn't get to celebrate on campus, pull out your favorite **Halloween Costume** or **Ugly Holiday Sweater** to wear for this final spirit day!

**Attention all 8th graders currently interested in playing sports next year at Carmel High.** Please refer to the Athletics page at [www.carmelhigh.org](http://www.carmelhigh.org) to view what sports are offered and how to register. There are also opportunities this summer to get involved with the high school programs. Go to **Summer Athletics** found on the **CHS sports page**.

**Wiffle World Donut Tournament of Glory Highlights:** Congratulations to the **6th Grade World Series Champions... The Littletown Locusts!** After coming from behind in extra innings to win game 1 6-5, the Locusts swarmed the Centipedes in game two winning decisively by a final score of 7-0. Great defense from Skyler Brown and offensive contributions from Lucas Rocha, Liam Morgan, Henry Figge, and some big hits from Carter Lloyd led the Locusts to a 2-0 series win over the stunned Centipede team. Congratulations to all 6th grade teams for a fun, exciting, well played tournament! Donuts coming soon to the Champs! **In 7<sup>th</sup> grade wiffle** action yesterday, the **Loosley Lobsters**, who were on life support 48 hours ago, are heading to the World Series today against the **Steely Soy Burgers**. Liam "Mongoose" Riddolls paced the attack with 2 homeruns as the Lobsters won 7-2. Game 1 of the 3-game World Series is today with the Lobsters favored due to the Soy Burgers being off the griddle for a week. Las Vegas bookmakers, however, predict a Soy Burger championship in 3 games.. Another capacity crowd is expected at Wiffler's Park with scalpers asking for high prices on tickets. **In the 8th grade tournament news...**With their backs against the wall in game two, the Mayer City Big Feet needed someone to step up. That someone proved to be Johnny Cardinali who's first inning Grand Slam ignited the hairy creatures offense and led them to a 6-4 victory against an overconfident Croc squad. Cardinali nearly homered a second time late in the game, but an amazing catch by Zach Hinds robbed him of a two homer game. Great defense by Alejandro Martinez Resendiz helped the Big Feet keep the lead as he made several catches against the fence robbing Croc mashers from extra base hits and home runs. The final game of the 8th grade series takes place today and Big Foot Player Coach Stefan Mayer returns from a multi-game suspension for stealing signs with computer technology has vowed to help his team bring home the Championship. Player Coach Jen Kuenz will have other ideas! Come watch the drama unfold in the final game of the year for our 8th grade wiffle ballers.
