Lunch	11:45 - 12:15
Period 5	12:20 - 1:05
Period 6	1:10 - 1:55
Period 7	2:00 - 2:45

Welcome back CMS! Today is the first day of our 2nd Trimester! Congrats on making it though 1/3 of the school year! Today, we will follow our normal Monday Schedule with Advisory taking place after Break at 9:35.

Did you know 663 million people on our planet do not have access to clean drinking water? Women and children in these areas walk an average of 3.75 miles just to get water for their families. Help raise awareness of water insecurity issues and walk for water at lunch November 17th. See Madame Olin in C 12 or come to the This Club Saves Lives meeting at LUNCH TODAY for information on how you can participate and make a difference.

Good Luck to our Boys Volleyball Team in their Championship Game tonight at Buena Vista Middle School! Boys: Your Bus departs at 4:15. The library will be open until 4:00 for all players. **GO COUGARS!**

Knitting Club: Get ready for Fall sweater weather by learning to knit your own cozy creations! Knitting club will start this Wednesday with Ms. Clarke in C-11 at lunchtime. If you've never knit a stitch and would like to learn, or if you're an experienced knitter looking for a new project, come join the fun. Needles and yarn are provided, or you're welcome to bring your own if you have them.

Congratulations to the Ishler City Exhaust Pipes for their 7th Grade Wiffle Ball World Series Championship on Friday. The **Exhaust Pipes** won the best of 5 series 3-1 over the **Griffin City Rear View Mirrors** with timely hitting and sparkling team defense. The incredible final game featured Grand Slam Home Runs from BOTH teams, but the offensive explosion wasn't enough for the **Rear View Mirrors** as the **Exhaust Pipes** proved to be too much. Series MVP honors went to rookie head coach and player Bryce Griffin whose multi-homer barrage kept the **Rear View Mirrors** in contention throughout the series. Griffin is now the only player in Wiffle World history to earn MVP honors while playing for the losing team! Donuts to the victor, donut holes for second place!

Yearbook News: The Yearbook Team appreciates all who have contributed amazing photos to help make up of 2021/2022 CMS Yearbook. This may be the best one yet! The last day to submit **Pets, Travel, and Hobby photos** is this Friday, November 12th! It is super easy to upload photos straight from your phone, so please head to our CMS website, view the yearbook photo submission due dates, click on the upload link and start uploading your photos!

Attention all geographers! The Geography Bee returns to CMS next Tuesday November 16th. You can sign up with your Social Studies teacher or in the library. Each day between now and then there will be a daily geography question in the bulletin. If you know the answer to today's question, be one of the first three students to QUIETLY tell the answer to a librarian DURING BREAK, and you will win a Cougar Buck! Today's question is (drumroll....): **Wild lemurs live on the world's fourth largest island. Name this island country off the coast of Africa.**

Day 1 of the Boys Basketball Tryouts begin this Wednesday! 7th Grade Boys will have their first day of tryouts from 3:00-4:30pm. The 8th Grade Boys will hit the court from 4:30-6:00pm. Day 2 and 3 of tryouts will take place next week.
Good Luck Cougars!

Happy Birthday to
