TODAY is the last day to donate money to the Food Bank for Monterey County. The containers will be removed from the library at 2:45 for the final count, so be sure to get all of your coins and dollars into the correct containers as soon as possible. Yesterday's total put us within \$100 of reaching our \$2000 goal. If we can reach that goal today, the Food Bank will be able to supply thousands of meals to our Monterey County neighbors in need. As for the Money War, it is still anyone's game. At the moment, the eighth graders are in the lead with 10,277 points. The seventh graders are not too far behind with 8024 points. Finally, the sixth graders jumped up about 1000 points after adding some coins to their container, and they are at 3671 points. It will be fascinating to see which grade level has the most points after today's donations!

Earth Club meets in C12 today. We will be making our own holiday wrapping paper. All are welcome!

Today is the LAST DAY that the *This Club Saves Lives* is collecting toys for the Kinship Center. If you have brought in an unwrapped toy to donate, please drop it off at Madame Olin's room C12.

The CMS Hall of Fame Faculty All-Stars dominated the 6th graders yesterday in Mudbowl One by a final score of 56-7. A late touchdown by superstar half-back **Bone Crusher Berlanga** took the faculty over the 50-point mark in a game that demonstrated faculty superiority on all fronts. Asked for comment after the game, player coach **Superstar Stadille** stated, "The 6th graders put up a good effort, but we've got some real firepower. We had to make some tough decisions during the last offseason, cutting Tom Brady, Derek Henry, and Deebo Samuel, but we brought in a few players who are just better. We picked up Berlanga, Nakamura, and Griffin and you might not know them now, but in a few weeks, they'll be all over Sports Center". Mudbowl II takes place today at lunch as the CMS Faculty will take on the 7th grade. Any 7th graders who want to play should report to the sports field at lunch. Prediction on the final score: Faculty 35 - 7th Grade 14.
